

A **TATA** Product

**VOLTAS**

Bring Home All-year Comfort  
and Convenience.

**VOLTAS | FIXED SPEED SPLIT AC**

VOLTAS FIXED SPEED  
SPLIT AC RANGE **2023**

### Self Diagnosis

Abnormalities and failures are checked by the AC and an error code is displayed.

### Silent Operation

Cools super silently.

### Low Gas Diagnosis

Warns us when the level of Gas in the AC is low and thus prevents any fall in the cooling power of the AC.

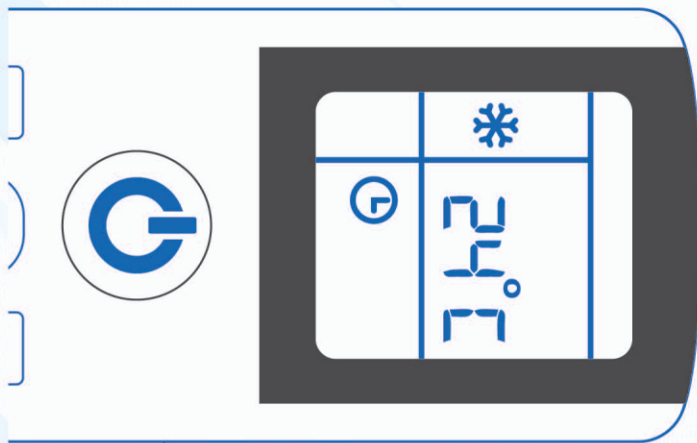

### Eco Saver Mode

Optimizes the power consumption and saves on your electricity bills.

### 2-Stage Filtration Advantage

Anti-viral, Fungicidal and prevents mould growth.

## CONVENIENCE

### Dual Display

Its Dual Display feature lets you view the set temperature and the room temperature simultaneously with a click of a button.

### Remote Lock Feature

Lock your current setting using the key combination buttons. To unlock, press the same button again.

### Sleep Mode

Maintains a comfortable temperature by cutting excessive cooling and power consumption, so you sleep comfortably all night.

### Glow Light Buttons

Glow-in-the-dark remote buttons to guide you when it's dark.

\*Features are available in select models only.

### High Ambient Cooling

Gives you instant cooling at even 50° c.

### Active Dehumidifier

Controls the indoor humidity during monsoons.

### Instant Cooling

Turbo mode cools the room instantly.

### Antimicrobial Air Filtration

It kills microbes which include germs, bacteria and fungi.

### Anti-Corrosive Coating on Eva (HP Side)

Enhances life by preventing corrosion on coil.

### 100% Copper

Copper condenser coil is more durable & delivers efficient cooling.

● In India, E-Waste (Management and Handling) Rules 2016 r/w E-Waste Management Amendment Rules 2018 has been notified by the Ministry of Environment, Forests and Climate Change, Government of India. Voltas Limited (Voltas) stands committed to implement E-Waste Rules. Voltas has done tie-up with the government authorised E-Waste Recycler for facilitating our Channel partners/customers to dispose and/or discard Electrical and Electronic Products after its end-of-life (when a product/part is non-operational or non-repairable) and including spare parts. The authorised recycler has expertise in assisting Voltas in fulfilling their compliances related to EPR and E-waste Management. Channel partners/customers need to get in touch with Voltas Call Centre (9650694555) to dispose and/or discard Electrical and Electronic Products after its end-of-life. Channel partners/Consumers should contribute to resource conservation and prevent potential environmental problems by a simple action - the proper depositing of their old consumer durable products, its accessories or defective spares with authorised recyclers. E-waste should be disposed of separately from the general waste stream via designated collection facilities identified by Voltas.  
\*Features are available in select models only. \*\*As per third party report. T&C apply. As a continuous policy of product innovations at Voltas, design and specifications are subject to change without prior notice.
